DATA SHEET NO: 6204

PRODUCT NAME/VISCOSITIES:

DIESEL POWER ECOMAX

DESCRIPTION:

High specification diesel fuel treatment for enhanced combustion efficiency and engine cleanliness, now with improved detergency.

APPLICATION:

For use in all diesel vehicles including modern Euro IV compliant engines.

By addition to fuel in the ratio 1 part to 1000 parts [1 ml/L]. May also be used at double strength for additional performance.

USER BENEFITS:

- New pleasant citrus fragrance.
- Diesel Power ECOMAX is a modern state of the art fuel treatment that is suitable for all diesel engines, especially Euro IV emission-compliant vehicles, which also provides a tangible improvement to vehicle performance.
- Enhanced detergency package for quicker clean up and prolonged injector cleanliness.
- Increases cetane rating of diesel by 4 numbers.
- Improved throttle and engine response at lower revs designed to offer the best of both power and economy.
- Protection of fuel system components against wear, with specially added lubricity enhancers.
- Engine smoothness, noise reduction and fuel savings confirmed by users.
- Improved combustion and engine cleanliness drastically reduces emissions of hydrocarbons (HC) and carbon dioxide.
- Provides fuel system corrosion control.
- Prevents fuel from ageing.

TYPICAL CHARACTERISTICS:

Specific Gravity @ 15°C 0.936
Flashpoint °C 60

Colour: Pale Brown

Do not store in direct sunlight. Keep away from heat.
